2021-2022 PREP Registration Information For New Students and Families

The St. Patrick Parish Religious Education Program is open to all registered parish families with children from grade 1 to grade 6 who attend the area public or non-parochial schools. (Note: Grade 7 is a final preparation time for a Fall Confirmation)

Prerequisites

- The family must be registered in St. Patrick Parish.
- Students must attend Mass on Sundays and Holy Days. The basis of all religious instruction is the Liturgy of the Word and of the Eucharist. (10:30 Mass is live-streamed during this restrictive time of the pandemic)
- A child must have completed the previous year of religious education before moving on to the next year (e.g., grade 1 completed before entering grade 2), regardless of the child's grade in school.

Registration

Please complete one family form. Please complete one student information sheet for *each* child you wish to enroll. It is important that the forms be filled in completely. *A copy of the baptismal record is necessary for registration to be considered complete.*

Registration Fee

For those students in grades 1 up to and including grade 6, the fee is $225 for one child, $375 for two children, and $500 for three or more. Make checks payable to St. Patrick Parish or pay online with the link on our webpage. If payment is a problem, please let us know. We have several options.

Class Openings

Due to the large number of enrollments, we must operate on a first-come, first-serve basis. We do try to accommodate everyone. When registering your child/children for PREP classes, please specify your preference for either the Sunday, or Monday sessions.

CLASS SESSIONS FOR THE 2021-22 YEAR

*******At this point, we cannot be specific as to where we will find ourselves come September 2021. As we get to summer, we should have a better idea as to whether we will need to continue with the At Home/Virtual program or return to in person classes in the Fall. Please chose a session and we will update with any changes or accommodations as we get a clearer picture in the coming months.*

Our Religious Education Program is staffed by good hearted and caring parishioners who volunteer their time and talent to make it work! Parents of PREP students are vital to the good running of our program. Will you consider staying and helping while your child is in class? We are always in need of help in many areas...classroom catechists, catechist aides, classroom help, substitutes, office help during PREP session, hall monitors, and baby-sitting during PREP sessions.

What is needed to be a catechist? A love of God and our Catholic faith, and a desire to share this faith with the youth of our parish. Training and guidance in preparing and teaching lessons are given to those interested. If you would like to "watch a catechist in action" to see if you might be interested, please give us a call. High school teens are also welcome to help...as are grandparents! Please see the enclosed volunteer form.

Welcome, thank you and God bless you and your family.
