PORTRAIT SITTING FEE

Pre-register online prior to the date associated with your parish, which is listed above. If this date conflicts with your schedule, you are welcome to schedule your child's session at one of the neighboring churches. Please note that the online registration option will close 24 hours prior to the portrait session start time / date. Also note that the sitting fee is final and no-shows are non-refundable.

We suggest that the child arrives 15 minutes prior to their reserved time slot for their portrait session. If there are any special articles (a prayer book, rosary beads) that you would like your child to hold for their portrait, please make this known to the photographer at the onset of your child's session.

Please note that there is a \$12.50 minimum sales order required. Also, Coupon Codes (associated with St. Patrick's & MMR Communion Liturgies) are NOT valid with PORTRAITS captured during this Communion Portrait session.

THANK YOU and we are excited to have this opportunity to capture your child's First Holy Communion Portrait.
