RE: **Guidelines for Photographs and Videos**

The reception of a sacrament is a precious and holy moment in the life of your child. In order to safeguard a sacred atmosphere in the Church during the Confirmation liturgy, parents/guardians and family members are discouraged from taking pictures and recording videos from their pews. The parish has hired *Bradley Digital* to photograph the entire liturgy.

Bradley Digital will photograph the actual moment of your child's anointing with sacred chrism by the Bishop. In addition to this keepsake, a professional formal portrait of each child will be taken with the Bishop after the Liturgy has concluded.

Saint Patrick's is providing each family with the following **COMPLIMENTARY** photos:

Two high resolution digital images, which can be selected online after the ceremony.

For your convenience, *Bradley Digital* provides a secure, password protected photo gallery website to view these photographs. Families are able to review these photograph as well as other candid photographs of the liturgy within 24-48 hours.

You will receive a coupon code specific to your family for ordering your 2 complimentary photos. You will also have the opportunity to purchase additional images and re-prints at this time.

Please read and sign the information below. Return this form with the paperwork for Confirmation to the Religious Education Office 131 Channing Avenue by June 30, 2023.

**Photo/Live Stream Policy during Confirmation Mass
Saint Patrick Church in Malvern, PA**

- I understand that photographs and videos are not permitted during the Confirmation liturgy. At no time am I or any family member permitted to leave our seats to take photos or record videos.
- I give *Bradley Digital* permission to photograph my child during the Confirmation Mass. I understand that the photograph(s) of my child will be posted at a secure website provided by *Bradley Digital*.
- I understand that the Confirmation Mass may be live-streamed/recorded and give permission for my child, family, and guests to possibly be seen on camera.
