

IGNITE

Ignite is a Confirmation retreat for middle school students held at Bishop Shanahan High School.

Enjoy faith, friends and fun through participation in prayer, reflection, Adoration, team games, sports, and activities!

Faith

Recognizing that it can become increasingly more difficult for young people to live out their faith in an authentic and joy-filled way, this retreat will provide opportunities for prayer and reflection.

Friends

Come and make new friends from all over Chester County, get to know students who attend BSHS, and see what we mean by "seek the things that are found above!"

Fun

From a campus-wide scavenger hunt to unique arts and crafts projects, from team games to outdoor activities - we have a great day planned for you!
