

# IGNITE

**Ignite is a Confirmation retreat for middle school students held at Bishop Shanahan High School.**

**Enjoy faith, friends and fun through participation in prayer, reflection, Adoration, team games, sports, and activities!**

## *Faith*

Recognizing that it can become increasingly more difficult for young people to live out their faith in an authentic and joy-filled way, this retreat will provide opportunities for prayer and reflection.

## *Friends*

Come and make new friends from all over Chester County, get to know students who attend BSHS, and see what we mean by "seek the things that are found above!"

## *Fun*

From a campus-wide scavenger hunt to unique arts and crafts projects, from team games to outdoor activities - we have a great day planned for you!
